

Parking Procedures at WBS/WBH

We encourage walking with your children to school as much as possible! This is a busy area, and we all play a part in keeping our students safe too and from school!

1. There is parking spots labelled for visitor/family parking on your right when you first enter the lower parking lot- this is the **ONLY** area for vehicles to park.

2. For quick drop-off for students in Gr. 3-6 – The Drop and go area is at the sidewalk in the lower parking lot- there is no parking at the curb- students quickly get out & go

3.No entry to back of the school- this is for WBH staff parking and Special Needs Bussing Only

4.This year there will be high school students who can drive- there is an area marked off by yellow lines (section of the lot close to Broad Street) that is for WBH student parking only

5.Lower Parking Lot- The middle parking spots are for WBS and WBH staff only- Staff have parking permits for this area

*****Additional parking can be found on Broad Street and neighbouring side streets. Please watch for students as they walk and wheel to school!**
