Dear West Bedford School PP–6 Families,

It has been quite a week! The positive energy in the building last week was fantastic to see and feel. Thank you to all for participating in the different community and school events. West Bedford High have asked me to extend a heartfelt THANK YOU for your support and donations provided at their Halloween community event- it is greatly appreciated! This event was so successful that the high school is looking at planning future community evening events for our WBS community. We are so proud to have our Junior High and High School so close, as events such as these were part of the original vision for the two schools in one building.

We also received positive news late Friday afternoon of a CUPE tentative agreement, avoiding strike action this week. I am happy to report that it will be school as usual for all!

Have a wonderful week, WBS Wolf Pack!
Susan Casey, Principal
