CALLING ALL VENDORS!

WBS HOLIDAY MARKET

WBS Home and School Association is planning a Holiday Market to celebrate the diverse cultures, traditions, and festivities observed in the winter months, and we're looking for vendors interested in participating!

We welcome vendors offering culturally inspired products, handmade goods, traditional crafts, festive décor, unique gifts, and items that reflect the many celebrations and traditions within our community.

Let's come together on November 19th, 2026 from 6:30-8:30 pm to celebrate diversity, support local vendors, and embrace the richness of our community.

If you're interested in sharing your culture, products, or traditions with us, we'd love to hear from you!
